

## MONICA LARNER

The following report contains reviews from Sicily. Reviews from Etna are in a second article, which is also online now and can be read [here](#). These wines were tasted in two sessions. The first tasting was staged in Palermo at the annual Assovini Sicilia preview of upcoming releases. However, the majority of these wines were tasted in my home office in Rome.

2014

Feudo Montoni Sicilia Nero d'Avola Vrucara
